

Upstream Kids Programming Guide

Puddles | Babies and Toddlers (Nursery)

Puddles 1: Babies 6 months up to 2 years.

Our babies and toddlers receive loving care in a bright, fun room, and parents are only a quick text away.

Puddles 2: Ages 2 and 3.

Children enjoy free play time, age-appropriate worship, a fun Bible adventure lesson, and a snack. We even provide a take-home paper so you know what your kids are learning.

Waders | Pre-Primary/Primary (4-5 year olds)

Our Waders-age kids can expect play time, worship, big flannel-graph Bible stories, snacks, crafts, games, and lots of learning about how much Jesus loves them. Take-home papers and all the day's activities go home in their weekly take-home bags.

Upstream | Grades 1 – 6

- Check-In

After they have their name tag, your child will go to their grade-specific play area until it's time for the large group lesson.

Cove 1: Grades 1 & 2

Cove 2: Grades 3 & 4

Pier 56: Grades 5 & 6

- Large Group

Our goal is that Upstream is the best hour+ of your child's week. And it all starts in large group, with worship, Bible lessons, and all kinds of learning fun.

- Small Group

Kids are dismissed to graded small groups. Designed to continue the lesson, small group time includes conversations with leaders and friends, fun Bible activities, snacks, and prayer.
